AUCTIONEER

For Larry Flynn, performing in front of an audience has been a way of life. The former radio broadcaster's professional microphone experience began in 1977 when he was billed as the youngest Ringmaster in the world with an Australian circus. Larry has been the emcee or auctioneer for hundreds of charity events all over America. From auctions in school gyms to the Waldorf-Astoria in NYC, he has been

involved with every level of fundraising event and has helped to raise millions of dollars for charitable causes. Larry worked many events around the country for Christopher Reeve supporting spinal cord research and has been involved locally as the auctioneer for FUNDSY, Make-A-Wish, Boys & Girls Club, Opera Idaho, Boise Philharmonic, Boise Art Museum, Idaho Botanical Garden, Boy Scouts, BBSEF, Epilepsy Foundation and many more. Larry's voice has been heard regularly over the years on radio ads for Sun Valley Resort. A Sun Valley transplant to Boise resident since 2003, Larry is proud to be a part of the fundraising efforts for Bishop Kelly tonight!

Dear Bishop Kelly Friends and Family,

Thank you for attending the Bishop Kelly Foundation's 35th Winner's Choice Auction. Let's make tonight "A Knight to Remember" as you enjoy your time with

friends in support of Idaho's only Catholic High School. Whether you are new to the school, or an old alumni (like me, Class of '77), BK parent or past parent (like me), faculty or staff, the Bishop Kelly family relationships you form will last a lifetime. Your presence tonight is important to Bishop Kelly's long-term viability and continued strong presence in the Boise community. The saying "it takes a village to raise a child" is certainly appropriate here, and it takes our help to allow Bishop Kelly to develop our students' minds, souls, and bodies and unleash their potential. Tuition, Diocesan and Parish support, and the Bishop Kelly Foundation gifts make up the financial support to our mission at Bishop Kelly.

The Foundation's goal of "Providing Funding, Support and Scholarships" is critical to allow Bishop Kelly to continue to provide one

of the lowest-priced Catholic educations in the Northwest. The Foundation provided over \$650,000 this year as a gift to the school's budget and to fund financial aid to those families who would not otherwise be able to attend. This is where we play a crucial part. The funds raised at this event supply over 40% of the Foundation's gift to the school.

Most of all, celebrate tonight as a "Knight to Remember" with the Bishop Kelly Family, appreciate the accomplishments of our students, and be grateful to the teachers who make such a difference in the lives of our young people.

Thank you for your friendship and generosity to the Bishop Kelly Foundation. Your support will continue to provide the much-needed resources to Bishop Kelly for many generations to come.

Sincerely,

Tim M. LaMott
President, Bishop Kelly Foundation

Welcome to this evening's 35th Annual Winner's Choice Dinner and Auction, "A Knight to Remember". This event, benefitting Bishop Kelly High School, has developed into one of the finest in the Treasure Valley. As with all great

traditions, they are created with a compelling tale and great vision, and tonight we are witnesses to another chapter in our great history. Tonight's story is about the incredible generosity and community support that allows Bishop Kelly to continue its mission: educating and developing the whole student in the Catholic tradition – Spirit, Mind and Body.

Since the first "Cadillac Auction" in 1976, this event has provided much-needed financial support for the ongoing expenses at Bishop

Kelly High School. It is critical, not only in assisting the school in maintaining and developing new educational programs and facilities, but in making the Bishop Kelly experience financially possible for so many of our students.

Thank you for believing in our important mission. More importantly, thank you for believing in our future – our young people. Your involvement is a tribute to our entire school community. Because of you, we will build on our fine traditions for generations to come, making our collective story A Knight to Remember!

Sincerely yours in Christ,

Robert R. Wehde
Principal, Bishop Kelly High School

Dear Friends of Bishop Kelly,

It is my pleasure to welcome each of you to the Bishop Kelly Foundation Winner's Choice Dinner and Auction. Your presence here tonight is a true testament to the fact that, collectively, we can

make a tremendous difference in the lives of the young men and women who choose to attend Bishop Kelly High School.

While 2011 has continued to be a difficult one for many in the Treasure Valley, we have been blessed here at Bishop Kelly by the commitment and generosity of our many friends in the community. Your support tonight, as well as your support of the Foundation both directly and through the Capital Campaign, has helped us in two ways. First of all, the Foundation was able to provide a \$430,000 grant to our general operating budget. It enables us to keep our tuition significantly lower than it otherwise would be and the lowest among Catholic high schools in the Northwest. Secondly, the Foundation's additional grant for scholarships of over \$221,000 allowed us to provide need-based financial aid to over 150 students and families who might not have otherwise been able to attend Bishop Kelly. For those of us who believe in the value of a Bishop Kelly education, your dedication allowed us to provide this wonderful gift to those families.

I thoroughly enjoyed my first year as President of Bishop Kelly, succeeding Dave Lachiondo, who gave so much to our school for over 20 years. Highlights of the 2010/2011 school year were a

very successful WCEA Accreditation, completion of our 2010-2015 Strategic Plan and an outstanding graduating class. The class of 2011 received over \$14 million in merit-based scholarships, 98% went on to college, and they contributed over 15,000 hours of community service and won 8 state championships and 5 academic state championships.

We begin this 2011/2012 school year with a 10% increase in enrollment, highlighted by a freshman class of 200, and a healthy financial situation. To keep our class sizes small, we added five new excellent faculty members to our already outstanding faculty and staff. Construction of our new Student Commons, the capstone of our school renovation, commenced in June and we expect completion in February 2012. School spirit and sense of community are high. But we have lots more to do. To achieve our vision of "a Catholic community achieving excellence in learning, service, and life", we must get better in every area of our school - in Curriculum, Learning and Spiritual environments, Activities, Performing Arts, Partnerships, and Marketing.

On behalf of our students and our faculty and staff, please accept my heartfelt gratitude for all you do for Bishop Kelly High School. Enjoy your evening, best of luck in your bidding, and God bless you all.

Respectfully yours,

Rich Raimondi
Bishop Kelly President

About the Auction

PROCEDURES AND REGULATIONS

REGISTRATION

All persons attending the auction and assigned a bidder number are eligible to participate in the Balloon purchase and Silent and Live Auctions. An assigned bidding number will be given upon registration. There will be one bidding number per ticket per couple unless otherwise requested.

BALLOONS

Beginning at 5:30 p.m., Bishop Kelly students will circulate through the crowd selling balloons in the following denominations: White-\$25; Black-\$50; and Gold-\$100 each. Each balloon will be tagged with a slip of paper identifying the merchandise or service you have purchased. Payment for the balloons may be made at the cashiers' station. To claim your merchandise, take your paid receipt to inventory control. The tag from the balloon is not sufficient to claim your item(s).

TUITION RAFFLE

The students will be selling tuition raffle tickets, which you may purchase using your bid number. The tuition prize of \$5,000 is applicable toward tuition at any school or university. The drawing will take place immediately following dinner. Prize is taxable.

SILENT AUCTION

Silent Auction bidding begins at 5:30 p.m. Only your bidding number will be accepted. We ask that you check your number carefully to avoid entering someone else's number. A starting bid and minimum increases have been pre-printed on the bid sheets. To enter a bid, write your bid number next to any amount on the sheet that has not been taken by another bidder. The winner will be the number next to the highest bid amount at the conclusion of the Silent Auction. You may also write your bid number next to the amount in the guaranteed winning bid space which will guarantee that you are the winning bidder on that item. No additional bid sheets will be placed. Tables will close at 8:15 p.m. sharp. Cashiers will tabulate the results and you will be able to pay for and pick up your items beginning at 9:30 p.m.

LIVE AUCTION

The Live Auction will begin at 8:30 p.m. The auctioneer will verbally auction every Live Auction item listed in the program and on the addendum, if applicable. Bidders may bid by raising their bidding number. Upon the auctioneer's determination of the

highest acceptable bid, the bid award will be recorded by bidder number and name. The auctioneer is the sole judge and the final authority for determining the highest acceptable bid.

PAYMENT

Payment may be made at the cashiers' station any time between 9:30 and 11:30 p.m. However, **FULL PAYMENT MUST BE MADE ON SATURDAY, NOVEMBER 5, 2011.** Payment can be made by cash, check, Visa or MasterCard, or American Express.

RECEIVING

Each successful bidder will receive a receipt from the cashier identifying his purchase. For your convenience, all gifts will be held in a receiving area at the back of the room. You will be able to claim your purchases upon presentation of your receipt to the volunteers in this area. All items must be removed from the Boise Centre by the end of the evening. There will be limited pick-up time on Monday, November 7, 2011, from 9:00 a.m. to noon for larger merchandise. Use the Grove Street entrance.

GENERAL RULES

All sales are final. No exchanges or refunds except where stated.

ALL ITEMS ARE SOLD AS IS. ANY CHANGES OR ADDITIONS WILL BE AT THE BUYER'S EXPENSE.

Donors and/or purchasers of auction items or services should consult their own tax advisors regarding questions of tax deductibility.

Whitewater Fishing/Nature Adventure for Four on the South Fork of the Boise River

Enjoy the incredible fly fishing and natural beauty of this roadless section of the South Fork of the Boise River (between Anderson Ranch Dam and Arrowrock Reservoir). There are few fishermen in this remote area, resulting in one of Idaho’s best trout fisheries with large, aggressive fish. You’ll also experience a whitewater adventure as the river narrows to a steep descent into the lower section of the canyon. Your guides, Mike and Tim, have run this river many times, and will be able to share their advice, wit and wisdom. Includes transportation to & from river, a “semi-gourmet” lunch, and everything you need to raft and fish.

Knights for Scholars

At the end of the live auction, as we have done for the past few years, we will ask for your bid paddles to go up for Bishop Kelly student scholarships. We hope that you will consider making a donation to this worthy cause. This school year, one out of every five students at BK receives some form of financial assistance, and a significant portion of that is through the

efforts of the Bishop Kelly Foundation and its scholarship endowment. Every dollar that you pledge tonight will go directly to funding a scholar who wishes to attend Bishop Kelly in the 2012-2013 school year. We hope you will open your hearts and help us reach our goal of \$55,000 in scholarship pledges this evening. God bless you!
