TUITION ASSISTANCE

Families may apply for a Financial Grant (Traditional Assistance), Work Study, or both. In order to be eligible for any of the programs, **a Tuition Assistance Application must be submitted and on file before April 30, 2009.** Additionally, any family applying for a Financial Grant and/or Work Study is required to submit a copy of their 2008 Federal tax form. A letter explaining your circumstances is strongly recommended.

If funds are available, we will have an additional financial aid review in September for families missing the first deadline. Applications for this review must be submitted by **August 31, 2009**. A third review for second semester assistance will be held in December. Applications are due by **December 1, 2009**. Your account must be current to be considered for assistance.

FINANCIAL GRANT (Traditional financial assistance): Traditional financial assistance is based upon financial need. To be eligible for a Financial Grant, the Tuition Assistance Application, Sections A & B, **with a copy of the 2008 Federal Tax return**, must be signed and submitted by April 30, 2009 (see above). Not all applicants are awarded aid. Aid is awarded based upon funding available and criteria listed on the application. Each family is expected to contribute toward its student's education and under no circumstances is 100% aid available. This applies only to Financial Grant applications.

WORK STUDY: Available to those families who have need for additional aid. To be eligible for work study, the Financial Aid Application, Sections A, B & C, **with a copy of the 2008 Federal Tax return**, must be signed and submitted by **April 30, 2009**. Primary consideration is given to those families who are applying for a financial grant. After being approved by the Financial Assistance Committee, the Maintenance Department will interview applicants and give final approval. A limited number of positions are available. Work will be done in the summer prior to fall semester with payment made directly to the student with the intent that earnings will be used toward tuition, fees, and expenses for attendance at Bishop Kelly HS.
