February 24, 2010

Dear Bishop Kelly Family,

It is my pleasure to formally announce that Mr. Richard (Rich) Raimondi has agreed to become the next President of Bishop Kelly High School. He will succeed President Dr. David Lachiondo, who will retire in July, after 18 years of service to our students, parents, and faculty, five of those as its President.

Mr. Raimondi has been part of the Bishop Kelly family for more than a decade as a parent and board member of the BK Foundation. He brings an exceptional level of professional and community experience to our institution.

Rich and his wife, Georgiann, have lived in Boise for 30 years. Rich retired from Hewlett Packard in 2008 after nearly 3 decades of service to the company, more than half in senior management. His commitment to the Treasure Valley community is substantial. He serves on the boards of St. Luke's Boise Meridian Regional Medical Center, The Idaho Technology Council (Chairman), Vision for the Valley (Chairman), Treasure Valley YMCA, and the Trey McIntyre Project. In addition, he is currently a Distinguished Executive in Residence at Boise State University in the College of Business and Economics.

Every decision we make here at Bishop Kelly takes into serious consideration the students, faculty and staff and of course the families of our great school. We are pleased and excited to welcome Mr. Raimondi to his new role in our learning community. He will assume the helm of Bishop Kelly High School beginning July 1, 2010.

Sincerely,

Betsy Chumich
Chairperson, Board of Governance
