If Your Child is Absent from School

If your student is not coming to school due to illness or an appointment, parents are required to call the school's Attendance Office by 9:30 am, 377-9928. Parents may also e-mail or fax notes to Mrs. Lisa Kelly for excused absences at lkelly@bk.org. The BK fax is 375-3626. If your child is going to be absent from school for an extended amount of time, please contact the attendance office as soon as possible **prior** to the absence. Pre-arranged absence forms are available from Mr. Coulter for Juniors/Seniors and Mrs. Quilici for Freshman/Sophomores. These will allow students to notify teachers and to receive homework assignments before the absence. Note: Students leaving school for professional appointments must notify the Attendance Office **before** school, when they leave, and again when they return. They will be asked for verification of that appointment upon returning to school. ***All students are required to sign in and out when coming late or leaving early.

How Can I Access My Child's Grades?

You can access your student's grades and other information on the Internet. You need your student's ID number and PIN number. Your child's PIN and ID are located on the class schedule they received the first day of school. The PIN number is assigned throughout our Schoolmaster Program. It's important to keep this number confidential. If you would like to get your student's PIN number, please e-mail administrator@bk.org with the student's full name. Go to the BK web page at www.bk.org and access Schoolmaster; use your student's ID number and PIN, and you will have his/her grades and records. Our teachers upgrade their records regularly, but not nightly. To access current grades on Schoolmaster, please follow these instructions.

1. Go to the Bishop Kelly website, www.bk.org.
2. Select **Schoolmaster** from the menu choices.
3. Enter your student's ID and PIN numbers in the appropriate boxes.
4. Click **Current Marks** in the list of choices.
5. If you want to see a progress report and more detailed information, follow steps 1, 2 and 3, then select **Schedule/Progress** from the list of choices. Teachers update these marks approximately every two weeks. Some teachers may update more frequently than others.
