Why are you interested in becoming a student campus minister?

Campus Ministry Course requires all participants to be **active and involved** in the planning of all activities. How do you see yourself being involved in this class?

Student campus ministers are charged with the duty of creating a spiritual environment for the school; it's not just about having fun. Describe your relationship with God and how comfortable you are sharing that relationship with others.

What would you like to see the Campus Ministry Course do next school year?

Do you have other classes or activities that might conflict with your being a campus minister?
